

EASY PEACH SORBET

Freeze Time: 24 Hours

Prep Time: 10 Minutes

Servings: 4

Ingredients:

1 can Del Monte® Sliced Peaches

2 Tbsp. fresh lemon juice

1 tsp. vanilla extract

Optional ingredients: fresh mint

Directions:

Place unopened can of peaches in freezer until solid (about 24 hours). Submerge unopened frozen cans in very hot tap water for 1 minute.

Open bottom side of

cans with can opener. Pour any thawed syrup into food processor bowl. Remove fruit from can carefully cut into chunks about 2 inches in size. Place into food processor with remaining ingredients (blenders or mini-processors are not recommended). Process until smooth, scraping blade as needed. Serve immediately or freeze until ready to serve. Garnish with additional peach slices and fresh mint, if desired.

**Depending on the size of food processor, it may be necessary to process in 2 batches.
